

## Dr. Keith Goh

**COUNTRY** Singapore  
**YEARS AFFILIATED** 6

Keith impresses the Make-A-Wish® Singapore team as their most outstanding volunteer in 2010-11 in 3 areas. In their busy world, sometimes the most valuable contribution to us is free, but can be very costly to the volunteer; the countless hours sacrificed by Keith in representing Make-A-Wish at events, chairing meetings, supporting wish granting and fundraising events, etc. are difficult to determine. Nonetheless, it is estimated that he has given 133 hours of his invaluable time to Make-A-Wish Singapore over the past year. Secondly, Keith has made financial contributions directly and indirectly (asking for donations on the Foundation's behalf) - amounting to more than US\$42,000 last year. Last but not least, he has given the CEO and the board invaluable advice during numerous consultations, which are appreciated beyond measure. Keith has done all of this with a cheerful giving heart that has inspired all of those involved with the affiliate to do their best for Make-A-Wish.
